RE: Venice Beach Business Improvement District -- Update

Dear Property Owner:

The BID continues to work towards the launch of the Venice Beach BID services in the first quarter of 2018. At the end of September, we released an RFP for clean and safe services, and received responses in late October. In November and December, we interviewed vendors, discussed terms, checked references, refined our budget and much more.

You are invited to attend the first Board of Directors Meeting of the Venice Beach BID:

Friday, January 5, 2018

10AM – 12:30PM

Mishkon Tephlio

206 Main St.

Social Hall, Lower Level

Venice, CA 90291

The agenda will predominantly relate to the implementation of the Venice Beach BID clean and safe programs and related actions by the Board.

VERY IMPORTANT: If you would like to receive our board meeting agendas, please sign up for our e-mail list. All future meeting notices and agendas will be sent via this list (not via letter/mail.) Regular meeting agendas will be available at least 72 hours in advance. We still do not have email addresses for a majority of property owners. **Subscribe with MailChimp** (we do not share our list with others and you may unsubscribe yourself at any time): <http://eepurl.com/cXTV3j>

The meeting space is ADA accessible via its Main Street entrance; please email us at admin@venicebeachbid.com for more information.

Does the BID need help?

Yes, the BID needs:

- Approx. 2,000 SF of permanent office/commercial/light industrial space for clean and safe crews, equipment and office personnel; some on-site parking is a plus. Please email us at admin@venicebeachbid.com if you have any leads for us.
- Future board members – stay tuned in 2018 for opportunities to join the Board of Directors, or various committees the Board may establish.
